

Telscombe Village Club Report from Councillor John Livings

The last twelve months have seen continued good management by the committee of the village club.

Their fund raising activities have been well organised, mainly due to the excellent community spirit in this village. The willingness by the residents of the village to be involved in the day to day running of the club is to be admired.

Their participation in the festivities arranged for the French and German visitors to Peacehaven's 25th anniversary twinning weekend was the highlight of the young people's visit. Especially their farm breakfast! as of course was the pig roast!

There were however two disappointing events, Firstly there was the complete failure of a cockney evening – it had to be cancelled at short notice due to a mix-up by the former town clerk and the committee. This caused a financial loss to the club the second event, a craft fair, was well organised by the club but poorly attended due to a mix up as to who was doing the advertising.

The village Christmas party was a great success with fun and games, and of course, Father Christmas arrived with presents for all the children. A big thank you goes to all the councillors and committee members who helped on the day and who donated prizes.

Friday April 3rd. was quiz-night in the village hall, Eleven teams created a great friendly party atmosphere. a fun quiz master made for great entertainment. Thanks you Alan Baker and thanks to Tim armour for lighting a log fire on a chilly evening.

Plans in the village for this summer include the open days at stud farm 3rd.& 4th. May and a 60's rock-n-roll dance at the club hall with a live band on Saturday 20th. June. Tickets are now on sale and going fast!

My final comments are that:-

the club committee is working well with the new town clerk, and as club committee chairman for the past two years, I would like to thank Martin Duckworth for his involvement with the village club and his support for all that they do.
