Alan B Baker Ltd

19 JUN 2019

Hi Stella and Telscombe town councillors,

My name is Alan Baker and I am the treasurer of the village hall club committee in Telscombe village.

The Village Club has in the past few years taken over the bill payments for the general running of the hall, mainly electricity, water, fire checks and oil music licence, etc. These come to an estimated £1500.00 most years.

Until recently, the Town Council has very kindly helped us with a small grant to go towards these costs and the villagers have been very grateful for this.

We are not a profit making concern and village club committee members all work hard and free of charge to help maintain the property and keep it as a valuable asset for the community.

The village club is overseen by the Gorham Trust and was left to the village as a whole.

As things stand, we manage to keep a balanced income/outgoings although the past few years have been tough and our cash assists have dropped from approx £5000.00 in 2011 to approx £1400 today.

I feel that unless we have some help we will be unable to afford the pay for the up-keep of the place and will therefore be in danger of losing it.

Over the last few years the hall has been renovated, has its own website and is now in a position to be used more.

We pay for the renovations.

The inside has also recently been re-painted and old framed photographs of the village have been placed on the wall. The kitchen has also been refurbished with help from the Gorham trust.

Our annual carol service was a great success last year and this year promises the same [this is also funded by the village club and the church, all of the local community are invited free of charge].

You are all very welcome to join us on 22nd December this year at 3.00pm after the church Carol service.

We generally manage to keep our funds roughly each last year, however over the past few years we have struggled to remain in the black but still have enough funds to keep going for at least another year.

The villagers and town councillors have been making an even greater concerted effort to arrange activities to help raise funds to finance the hall.

The new website and greater connection with the church has helped with bookings this year.

Meanwhile if the Town Council could agree to help us with a grant, then we would be, once more, very grateful.

many thanks

Alan Baker

It is my responsibility to:

1. examine the accounts under section 145 of the Charities Act,
2. to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
3. to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no material matters have come to my attention (other than that disclosed below in Section B below *) which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 130 of the Charities Act or
- the accounts do not accord with the accounting records

I have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.
