New Mayor and Deputy Mayor for Telscombe

At the Annual Council meeting in May, a new Mayor and Deputy Mayor were appointed.

Cllr Joanna Wilkins takes over the role as Mayor while Cllr Daryll Brindley steps in as Deputy Mayor.

It is a very poignant year for Cllr Wilkins as 40 years ago in 1977

her father, Cllr N Wilkins, was also Mayor of Telscombe.

Cllr Wilkins has been very busy since her appointment, having attended 25 functions already. The picture above sees Cllr Wilkins with the High Sheriff, Mrs Maureen Chowen, at the Blind Veterans UK Armed Forces day.

Pictured right is our new Deputy Mayor, Cllr Daryll Brindley. He has also attended several functions on behalf of the Council since May, including two Armed Forces Day events, the Lewes raft race and opened our summer fayre with the Mayor.

We wish both Councillors a happy year in office.

The Mayor of Telscombe, Cllr Joanna Wilkins, donated the proceeds of her first bingo fundraising event, to the 'We Love Manchester Emergency Fund.' The evening raised in excess of £180 and the Mayor would like to thank everyone for coming along and supporting the event. More fundraising is planned for events as the year progresses, including the Macmillan Coffee morning and the Mayors 15km sponsored walk in September.

Summer Fayre Sensation

The weather was looking doubtful in the morning, but just as the fayre was due to start, the sun shone through and stayed for the afternoon. This helped to draw big crowds to the Telscombe Town Council summer fayre which took part in Chatsworth Park. Two highlights of the day were the pony and stagecoach rides and the flying birds of prey display in the arena. Visitors also got to enjoy displays by Harlequin Dance Studios, Sussex Stars Cheerleaders and the LCAS School of theatre arts. The converted horsebox bar provided by TK Bar Services also proved a welcome attraction, as well as the Jaws 'n Claws array of animals. A big thank you from us to everyone that helped out to make this such a fun day for our local community.

Lewes District Council have recently agreed a new scheme for recycling **'One Bin Chuck It All In'**, whereby all recycling can be placed in one bin.

The large wheelie bins will be provided by Lewes District Council. This area will be the first to use the scheme later in the year before its ultimately rolled out across the District.

Walkers Return

Permission for a temporary footpath diversion round the Southern Water site was granted in 1971 while excavation of a section of cliff was undertaken. In the absence of a formal diversion, the footpath should have been reinstated on completion of the excavation but this didn't happen and the footpath has remained closed for 45 years. With thanks to lots of campaigning by the Ramblers Association, the Telscombe Residents Association and Telscombe Town Council, a permanent diverted footpath has now been established across the site, meaning walkers can now stroll from Saltdean to Newhaven along the cliff tops without having to go roadside.

Armed Forces Day

Armed Forces Day is a chance to show support for the men and women who make up the Armed Forces community: from currently serving troops to Service families, veterans and cadets. Telscombe Town Council did this by raising the Armed Forces Day Flag at the Civic Centre for the week leading up to the actual day.

We were honoured to have our Freewoman, Brenda Sawyers, raise the flag for us which was preceded by a minutes silence for the victims of the Grenfell fire in London a few days before.

Consultations

Consultation on Public Spaces Protection Orders

We would like to hear from residents and organisations about our proposals to introduce new Public Spaces Protection Orders (PSPOs) to Lewes town and Lewes district.

PSPOs are something councils can put in place to protect the community from anti-social behaviour. They put conditions or restrictions on what people can do within a specific area if there is evidence to suggest that a problem exists.

We have reviewed our existing orders and are proposing to establish PSPOs covering:

- dog fouling on public land anywhere in Lewes district, and
- the drinking of alcohol in public in Lewes town.

Under the proposals, anyone found not to be clearing up after their dog may face a fine of up to £1,000 and anyone failing to stop drinking or surrender alcohol when asked to do so by an authorised officer may receive a fine of up to £500.

To take part in the consultation please visit:

- <http://www.lewes.gov.uk/council/26075.asp>

The closing date to respond is Friday 8 September 2017.

To report incidents of anti-social behaviour please call 101 or 999 in an emergency.

Lewes District Council are currently holding a consultation regarding Public Spaces Protection Orders across the Lewes District - see information above. With this in mind, Telscombe Town Council is starting to explore whether such an order may be possible to apply locally to help prevent dog worrying and protect the community flock. Please do undertake the consultation above so that opinions can be engaged.
