My dog's happiness is everything

You've always done what you can to protect your four-legged friend, and that shouldn't change when life does.

Our free Canine Care Card means if you pass away or become seriously ill and you're no longer able to look after your dog, you'll never have to worry about what's next for them – because they'll be safe with Dogs Trust.

Canine Cared For 

Every year we love and care for around 15,000 dogs at our 21 rehoming centres across the UK, and **we never put down a healthy dog**. Once your dog is in our care, our team of experts will use all the information you give us to get to know him or her, and make sure they stay happy and healthy.

We'll do all we can to find a responsible, caring new owner for your dog, who can give them all the love and care that you currently do. In the unlikely event that we can't find your dog a home, we'll look after them for the rest of their life.

Poppy was Canine Cared For

Poppy's owner first contacted her local Dogs Trust Rehoming Centre after she'd sadly been diagnosed with a terminal illness. We advised her to apply for a free Canine Care Card, so that she'd spend the most time possible with Poppy, and know that she'd always be looked after.

When Poppy's Dog Guardian told us that her owner was now receiving palliative care,

I want to make sure my dog
is always safe and loved

Follow these simple steps to become a Canine Care Card holder:

- 1. Choose someone to be your Dog Guardian**, so that if you pass away or become seriously ill, they can sign over ownership of your dog to Dogs Trust on your behalf. It should be someone you trust, like a friend, family member, solicitor, neighbour or vet – **please don't forget to ask them first.**
- 2. Complete the application form** on the next pages and return it to us by Freepost. We'll review your form and send your free Canine Care Card to you.
- 3. Fill in the Canine Care Card** when it arrives. It fits in with the rest of your cards in your wallet or purse, so that it can always be found.
- 4. Leave instructions in your Will** confirming that you would like Dogs Trust to look after your dog. This is essential to ensure that there will be no confusion about your wishes. The suggested wording is, **"It is also my wish that Dogs Trust cares for and/or rehomes my dog at the time of my death".**

That's it. Once you've taken these steps, you can be reassured that your four-legged friend will be safe with Dogs Trust if anything happens to you.

we collected Poppy within a day and placed her into a loving foster home, where we knew she would thrive while we found her a new forever home. All the information from Poppy's owner meant that we could make the transition as stress-free as possible for her, so she never lost her affectionate ways.

Within almost no time, we were able to find Poppy a lovely new home for her second chance at love.

Help more dogs like Mrs Sox enjoy a happy future

When Mrs Sox was found as a stray with really bad mange and a fractured paw, she was brought to Dogs Trust where she received round the clock care and love. She has now found her forever home and has blossomed into a beautiful and happy dog. With a gift in your will, you can help dogs that aren't lucky enough to have had a caring owner like you. More than a third of our income comes from gifts in Wills, and every penny helps us to care for and rehome abandoned dogs like Mrs Sox.

- I have already remembered Dogs Trust in my Will
- I intend to include Dogs Trust in my Will
- Please send me more information on leaving Dogs Trust a gift in my Will.

If you have any queries about the Canine Care Card, or would like to know more about leaving a gift in your Will to Dogs Trust, please call us on 020 7837 0006 or email ccc@dogstrust.org.uk and we'll be happy to help you.
