(eg. details of project together with numbers of those involved in the project, members and/or others, equipment, event)

We are applying for funding to continue with supporting activities for young people from Telscombe and Peacehaven. We offered 15 free places in our holiday programs last year to families on low incomes or who were struggling socially which included Forest school, Sports & Activity and Pamper & Play clubs. We have supported events in Chatsworth Park with organising games and a donation of easter eggs. We built the nest in the park which is always being used by young people.

We would like to be able to continue offering those places and continuing with the development of the Forest school activities within Chatsworth Park. To do this we need to purchase a large canvas sheet with metal grips that are secured between the trees so there is always shelter to work in.

We will be looking at additional funding streams to purchase other equipment this year that will support the work we are trying to deliver in the outdoors and continue with our holiday programs. Due to extreme weather and covid we cancelled Forest school three times last year, and we want to avoid that this year.

With the help of this grant, we will be able to continue offering places and provide other activities for residents to participate in, improving health and well being along the way

7. MEMBERSHIP

Total Membership:

We currently offer courses and activity to the community which does not a formal membership. Our Facebook page has over 450 members. <https://www.facebook.com/groups/saltdeanswimsurf/?ref=share>

Membership Resident in Telscombe Town:

Our targeted members are the residents of Saltdean and neighbouring communities which include Telscombe to the East. We know that the Rookie lifeguard course we ran in Summer 2021 consisted of 30% (8) participants living in East Saltdean, coming under Telscombe Town. We are committed equally to all areas of our community.

8. REASON FOR GRANT REQUEST:

(eg. details of project together with numbers of those involved in the project, members and/or others, equipment, event)

The success of our 2021 program means we have moved into year two of our 10 year plan which will build upon the foundations we have laid. We know from the volume of interest from residents in our community the service we are providing is valued and much needed.

2022 summer season will see the introduction of our sea based training in addition to pool based training out of Saltdean lido.

The work in the sea is an area underpinning our core values of water safety for our community, which of course has a shoreline and currently no community facilities teaching our residents sea safety.

The pool based activity will be on a clubnight and target those who need confidence in the water and provide basic lifesaving skills. The sea based activity will be on a weekend morning throughout the season and provide structured skills based training.

For both activities safety equipment, appropriately trained volunteers and a team of skilled instructors is a necessity.

Club night: This will target up to 30 - 8-12 year olds from the community. The equipment and items required will be - visible rash vests for identification, membership to GB Surf, pool hire, lifeguard cover and equipment such as ropes, rescue floats and rubber bricks. We will also need to fund insurance and training for volunteers.

Sea morning sessions: This will target apx 30 local members of the community aged 12 and up of the required swimming ability. The equipment and items required will be - visible rash vests for identification, swim caps, membership to GB Surf, lifeguard cover and equipment such as rescue boards and rescue floats. We will also need to fund insurance and training for volunteers.

9. AMOUNT OF GRANT REQUESTED: £ 500

10. I/WE ACKNOWLEDGE AND ACCEPT THAT PAYMENT IS MADE SUBJECT TO THE MONEY BEING SPENT ON THE SPECIFIC REASON DETAILED IN 8 ABOVE AND I/WE WILL PROVIDE A REPORT/PROOF TO TELSCOMBE TOWN COUNCIL AT THE END OF THE PROJECT.

(eg. details of project together with numbers of those involved in the project, members and/or others, equipment, event)

My name is Alan Baker and I am the treasurer of the village hall club committee in Telscombe village.

The Village Club has in the past few years taken over the bill payments for the general running of the hall, mainly electricity, water, fire checks and oil music licence, etc. These come to an estimated £1500.00 a year.

Over the years, the Town Council has very kindly helped us with a small grant to go towards these costs and the villagers have been very grateful for this.

We are not a profit-making concern and village club committee members all work hard and free of charge to help maintain the property and keep it as an asset for the community.

The village club is overseen by the Gorham Trust and was left to the village.

As things stand, we manage to keep a balanced income/outgoings although the past few years have been tough especially recently with Covid 19 and a number of cancellations to our bookings. Our cash assists have dropped from approx £5000.00 in 2011 to approx. £1293 today. [SEPT 2021]

we would welcome some help to be unable to afford the pay for the up-keep of the

place and to be able to maintain it as a valuable asset for the local community. Over the last few years, the hall has been renovated is listed on a business website and is now in a position to be used more.

We pay for the renovations.

The inside has also recently been re-painted and old framed photographs of the village have been placed on the wall. The kitchen has also been refurbished with help from the Gorham trust.

Our annual carol service was a great success we missed last year due to the Covid restrictions. [this is also funded by the village club and the church all of the local community are invited free of charge]. You are all very welcome to join us on this year at 3.00pm after the church Carol service. A date is still to be decided

Over the past few years we have struggled to remain in the black but still have enough funds to keep going for at least another year.

The villagers and town councillors have been making an even greater concerted effort to arrange activities to help raise funds to finance the hall.

The greater connection with the church has helped with bookings recently, and now that the lockdown is easing, bookings look more promising

Meanwhile if the Town Council could agree to help us with a grant, then we would be, once more, very grateful.

many thanks

Sadly we lost Tim Armour our club chairman and Vic Harwood. Both were very active members of the club and local community and will be greatly missed.

We are determined to carry on and continue to have regular meetings.

Alan Baker
