(eg. details of project together with numbers of those involved in the project, members and/or others, equipment, event)

We have successfully managed to secure a base for Develop Outdoors in Peacehaven all year round, this will enable us to deliver our services both term time and holiday time to local residents and the wider youth population of The Haven's area. Having an indoor space and base it will allow our CIC to grow and benefit the local people further than we currently do.

We have an existing relationship with TTC both with our development of the forest school area and the nature trail.

We are looking to buy equipment and furnishings for the new classroom space and hand tools for the school holiday clubs for the children to use.

Currently Develop Outdoors contracts 18 members of staff, and we regularly have around 8-10 volunteers across the year.

We have recently grown our membership following a run of successful forest school sessions and increased interest following the makeover of the forest school area.

We have successfully set up an after school forest club which has attracted 18 local children attending.

The space we will be hiring needs a total refit and kitchen installed, we have very generously been given some time from a handy-man who will teach our students hands on learning into basic carpentry and fitting, but we will be required to buy the suitable materials.

We are looking to also buy a 2nd hand sofa from the charity shop on the coast road to have a breakout space and a space to deliver counselling sessions to the young people currently studying with us.

Notes:

The Town Council considers grant applications from local organisations each year and successful applications do not imply an automatic future success – each is considered on its merits and against availability of funds.

Depending on circumstances, organisations that are successful in their grant application may be invited to attend a presentation ceremony for publicity purposes.

To be eligible to apply for a grant from Telscombe Town Council, the applicant must be able to provide and/or meet all of the following criteria:

- i. Voluntary/community group or registered charity which provides a service or activity for the benefit of the residents of Telscombe Town.*
- ii. A bank account held in the name of the group.*
- iii. A copy of their latest annual accounts.*

Applications without the necessary supporting documentation will not be considered.

Please do not leave any boxes on the application form blank.

*The following **are not** eligible:- businesses, individuals or political parties.*

The Council may publicise grant payments made and to whom in its Annual Report, website and through social media.

How the information you provide will be used

General Data Protection Regulations - Any personal information such as name, postal address, telephone number, and email address given via this website/form will only be used to provide a requested service, kept for as long as necessary to provide that service and will not be disclosed to any other third party without your prior permission or unless we are required to do so by law

Directors' Report For The Year Ended 31 October 2023

The directors present their report and the financial statements for the year ended 31 October 2023.

Directors

The directors who held office during the year were as follows:

Mrs Yolandi Taylor-Banks

Mrs Claire Bullimore

Mr Mark Oakden Resigned 20/01/2023

Mrs Hayley Wignall Appointed 08/02/2023

Mrs Jennifer Brown Appointed 08/02/2023

Statement of Directors' Responsibilities

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing the financial statements the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the corporate and financial information included on the company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Small Company Rules

This report has been prepared in accordance with the special provisions relating to companies subject to the small companies regime within Part 15 of the Companies Act 2006.

**Develop Outdoors CIC
Accountant's Report
For The Year Ended 31 October 2023**

In accordance with the engagement letter dated 08 November 2017, and in order to assist you to fulfil your duties under the Companies Act 2006, we have compiled the financial statements of the company from the accounting records and information and explanations you have given to us.

This report is made to the directors in accordance with the terms of our engagement. Our work has been undertaken to prepare for approval by the directors the financial statements that we have been engaged to compile, to report to the directors that we have done so, and to state those matters that we have agreed to state to them in this report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's directors for our work or for this report.

You have acknowledged on the balance sheet as at year ended 31 October 2023 your duty to ensure that the company has kept proper accounting records and to prepare financial statements that give a true and fair view under the Companies Act 2006. You consider that the company is exempt from the statutory requirement for an audit for the year.

We have not been instructed to carry out an audit of the financial statements. For this reason, we have not verified the accuracy or completeness of the accounting records or information and explanations you have given to us and we do not, therefore, express any opinion on the financial statements.

Develop Outdoors CIC
Notes to the Financial Statements
For The Year Ended 31 October 2023

1. General Information

Develop Outdoors CIC is a private company, limited by guarantee, incorporated in England & Wales, registered number 10997882. The registered office is 10 South Way, Newhaven, East Sussex, BN10 8TG.

2. Accounting Policies

2.1. Basis of Preparation of Financial Statements

The financial statements have been prepared under the historical cost convention and in accordance with Financial Reporting Standard 102 section 1A Small Entities "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006.

2.2. Turnover

Turnover is measured at the fair value of the consideration received or receivable, net of discounts and value added taxes. Turnover includes revenue earned from the sale of goods and from the rendering of services. Turnover is reduced for estimated customer returns, rebates and other similar allowances.

Sale of goods

Turnover from the sale of goods is recognised when the significant risks and rewards of ownership of the goods has transferred to the buyer. This is usually at the point that the customer has signed for the delivery of the goods.

Rendering of services

Turnover from the rendering of services is recognised by reference to the stage of completion of the contract. The stage of completion of a contract is measured by comparing the costs incurred for work performed to date to the total estimated contract costs. Turnover is only recognised to the extent of recoverable expenses when the outcome of a contract cannot be estimated reliably.

2.3. Tangible Fixed Assets and Depreciation

Tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. Depreciation is provided at rates calculated to write off the cost of the fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Fixtures & Fittings	15%
---------------------	-----

2.4. Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from profit as reported in the statement of comprehensive income because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The company's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax is recognised on timing differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable timing differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible timing differences can be utilised. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. Deferred tax liabilities are presented within provisions for liabilities and deferred tax assets within debtors. The measurement of deferred tax liabilities and asset reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current or deferred tax for the year is recognised in profit or loss, except when they related to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax is also recognised in other comprehensive income or directly in equity respectively.

3. Average Number of Employees

Average number of employees, including directors, during the year was: NIL (2022: NIL)

8. REASON FOR GRANT REQUEST:

(eg. details of project together with numbers of those involved in the project, members and/or others, equipment, event)

Diversity Resource International is a not-for-profit social enterprise limited by guarantee. We work to support ethnically diverse and migrant communities across Sussex. We believe there is huge, untapped potential in our local ethnic minority communities. We are working to mobilise the support available in diaspora communities, enable individuals to realise their ambitions and grow health and well-being in the local area. We want to support from the grassroots upwards, improve local government responses to social problems and release the power in local communities to make a difference in society at large.

DRI organised a bespoke English class at the Peacehaven library for local ethnically diverse community members. Thanks to the Chalk Cliff Trust, we were able to set these classes up for 5 months in 2023. We have 8 consistent attendees who are focussed on getting a 7 score on their IELTS exam. These women live in Peacehaven, Telscombe, Newhaven and in the East Brighton.

The women benefiting from this project were all professionals in their home country, most of them in the healthcare sector. They were displaced from Sudan due to political conflict and are keen to set up lives and use their skills to benefit the Sussex community. To work in their professions, they need their qualifications transferred to the UK. Demonstrating a 7-point English level in the IELTS is the first step. No nearby free IELTS programs offer childcare, making this project crucial. The classes are tailored to be as accessible as possible, including a qualified Childcare Supervisor for their children and the purchase of an IELTS study guidebooks for each participant.

Although, the classes are coming to an end on the current grant funding, DRI has applied to the Sussex Community Foundation Reaching Potential grant to keep these classes going to support this group of women in reaching their goal of passing the IELTS. Once we have a successful grant result, we plan to start the classes in April 2024, which will also be open to new participants that are on the same path to passing IELTS, reaching the maximum group capacity of 12 attendees. The proposed classes will take place over 30 weeks. This group of women consists of dentists, radiographers, a doctor, a pharmacist, a nutritionist, and teachers. The funding will provide them with a structured pathway that will also lead to the broader benefit of integrating skilled professionals into the local workforce.

The funding from the Telscombe Grant will be essential in providing these women with a laptop to help with their learning. This equipment will be transformative for the group as they currently can't fully study for the IELTS using the study guide's accompanying CD or take the free online practice tests. DRI plans to purchase 1 good quality laptop. They will be equipment in ownership of DRI and not by any individuals. We will lend the laptop to the community members on a rotating basis while they are preparing for IELTS and ensure the laptop is under responsibility of agreed individual adhering to the DRI procedure for equipment care with a signed equipment care form. We will also agree on a date for the return of the laptop. Once the laptop is no longer in use by the English learners, they will be used as part of DRI's equipment for the admin volunteers' use to sustain the support and service we deliver to communities and public and private sectors that depend on our connection to the ethnically diverse residents across Sussex. Therefore, the finding from this grant will be used to benefit specified group of ethnically diverse community members and then be put back into work that continues to empower our ethnically diverse communities.

9. AMOUNT OF GRANT REQUESTED: £ 500

10. I/WE ACKNOWLEDGE AND ACCEPT THAT PAYMENT IS MADE SUBJECT TO THE MONEY BEING SPENT ON THE SPECIFIC REASON DETAILED IN 8 ABOVE AND I/WE WILL PROVIDE A REPORT/PROOF TO TELSCOMBE TOWN COUNCIL AT THE END OF THE PROJECT.

Director's report and financial statements

The directors present his/her/their annual report and the financial statements for the year ended 31 December 2022.

Principal activities

Principal activity of the company during the financial year was that of the provision of employment centered training and education.

Directors

The directors who served the company throughout the year were as follows:

Ms M Ghebreweldi

I R J Rudd

Y Asare

Statement of directors' responsibilities

The directors are responsible for preparing the directors' report and the financial statements in accordance with applicable law and regulations and in accordance with United Kingdom Generally Accepted Accounting Practice.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (Financial Reporting Standard 102). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to :

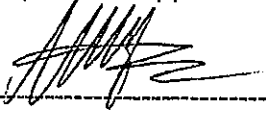

- select suitable accounting policies and then apply them consistently
- make judgements and accounting estimates that are reasonable and prudent
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. The directors are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the corporate and financial information included on the company's website. Legislation in the United Kingdom, governing the preparation and dissemination of financial statements, may differ from legislation in other jurisdictions

8. REASON FOR GRANT REQUEST:

(eg. details of project together with numbers of those involved in the project, members and/or others, equipment, event)

The Grant would enable the purchase a portable lightweight "Crazy Catcher" for £211.50. This item is a great aid to coaching the skill of catching a ball for junior players. The children throw the ball at the "Catcher" & the ball rebounds back to them to catch with the coach standing by to assist in the different ways to catch. Because it is 2 sided, more children can be coached at the same time. When the ball hits different parts of the net, it rebounds back at different angles & speeds. For example, if the ball is thrown at the lower part of the net, it rebounds in a higher loop whereas the higher up the net it is thrown, the flatter the ball rebounds back. Children love the variation this item of equipment provides & therefore, enjoy longer drills to improve their skills. Newhaven Cricket Club run junior coaching for boys & girls aged 6 to 16 of years of age and this item of equipment will be used by all of our 89 (current junior membership) youngsters. The children use various sized balls with different hardness's depending upon their age & experience.

8. REASON FOR GRANT REQUEST:

(eg. details of project together with numbers of those involved in the project, members and/or others, equipment, event)

To increase participation, by attracting new membership and raising awareness of the Bowls Club to local residents of Telscombe.

This grant will be used for the purchase of advertising material, namely the production and printing of a bespoke banner, flyers and posters to increase awareness of the local bowls club with a view to recruit new members across all age ranges in the Telscombe Town Council boundary.

If there are any funds left available they will be used to help assist the funding of an open day at the beginning of the new season in March/April 2024, again seeking new members from all age ranges especially in Telscombe Town Council's boundary. The bespoke posters will be produced and displayed at various shops and on notice boards within Telscombe area to publicise the Open Day.

The sport of bowls has a positive impact on wellbeing, in considering the demographics of Telscombe, the bowls club could attract and enhance the lifestyle, fitness and social interacting of local residence, but as the bowls club has limited resources for advertising, the usual method is by word of mouth. This initiative will increase awareness, especially for people in Telscombe.

The Management Committee would also like to welcome members of the Town Council to attend an informal evening when the Club opens in the season, where they can try bowling with us to see what we offer. If the Council would like to take that option please contact the Club Secretary to arrange, by email clivegrant@me.com or by phone 07496073384.

The Management Committee and all club members would like to thank Telscombe Town Council for their consideration of the application and we look forward to hearing in due course.

(eg. details of project together with numbers of those involved in the project, members and/or others, equipment, event)

Peacehaven Rangers is a section of Girlguiding and is made up of girls aged between 14 & 18 years old and we have 13 regular members increasing to 16 when the new term starts. It is the next unit on after leaving Guides & the unit meets weekly at Telscombe Parrish Hall.

At Rangers we aim to provide our members with a varied, fun, educational, and relaxed space for them to grow their life skills as well as their confidence.

Recently we have organised evenings covering cooking, Parliament Week, night hikes, crafts, outdoor challenges, swimming, walking to Brighton Marina and a night time scavenger hunt. Twice a year we also aim to arrange a camp for them, generally one indoor and one outdoor.

We are also extremely fortunate in that over 70% of our members volunteer at other guiding units within the Peacehaven District in addition to attending Rangers, assisting with Rainbows (age 4-7) Brownies (age 7-10) and Guides (age 10-14).

Because of their age group, a lot of the girls have small weekend jobs and so pay for their membership themselves. As such when it comes to providing larger experiences for them we try to offer help where needed and as and when we are able to do so. Our Rangers pay approximately £40 subs for each of the three school terms and we try to keep within this budget each, keeping activity costs to a minimum and carrying out additional fundraising when necessary.

Additionally Girlguiding UK charge each member (child and adult) an annual subscription to cover National costs and insurance for our activities etc which has been raised to £40 for February 2024.

During 2023 Girlguiding carried out a full rebrand thus outdating our unit flag, which costs over £100 to replace, alongside new uniform being released imminently and the close arrival of the annual subscription fee being due.

We write to Telscombe Town Council to request any possible assistance in funding you are able to offer our unit please? In order to help our unit be able to provide for the girls, our future guiding leaders, and future proof the Ranger unit with up to date equipment as well as being able to help out with covering the cost of annual subscription for the unit members. Any possible extra funding to help cover our costs to keep the unit alive and provide this safe space for the teenage girls of the community.

We thank you for taking the time to read our application

REASON FOR GRANT REQUEST:

(eg. details of project together with numbers of those involved in the project, members and/or others, equipment, event)

We are struggling to find / afford meeting venues for our larger/engagement gatherings. We have so far managed to have a whip-round to afford large (30-50+ attendees) meetings in St Nicholas and St Martin's Church premises. So far, we have conducted meetings on biodiversity, land use (eg gardening for wildlife) and residential energy management. We are planning further ones particularly a general one to help residents feed back to us their concerns and help find solutions. We also have to have core meetings in our own homes which aren't always quite big enough.

Typically, around half of the attendees at our meetings are from East Saltdean although public venues are only available in the West.

Ideally, we wouldn't use Telscombe Civic Hall routinely though we have been grateful for the resource particularly for our energy champion training which is moving forward with the help of Energise Sussex Coast. This is because many of our residents can't easily access Telscombe Civic Hall even if they live in the East (as many do).

Once we have our charitable status we hope to access further funds but would appreciate a small sum to tide us over the next year as we think it will take this long to establish our CIO status. We are hoping to buy in some help to push through our CIO application and we are anticipating this will cost about £50.

In addition, and ideally, we'd like to pay someone to help us with a website and its maintenance. So far we have mostly managed with our Facebook Group (more than 200 members) but a good website, kept up to date, would help with publicity.

Typically, hiring a hall for a big meeting costs about £100 (and would engage 20+ or so East Saltdean residents) and we would anticipate having four public meetings in the next year (=£400).

Core group meetings can just about be managed in our houses for now - and Daisy's Pantry has helped us out with space on a couple of occasions. Saltdean Tavern has been used but is very noisy. I'm not sure how much a website design and maintenance for a year would cost. But I'm guessing £200.

We are anticipating larger sums being needed in the future as we have in principle in agreement from Brighton and Hove Council to take over an acre of land (in West Saltdean but available to East Saltdean residents) to turn into a community woodland. But that will need a separate project plan and costings.

So, anything you can contribute would be greatly appreciated.

8. REASON FOR GRANT REQUEST:

(eg. details of project together with numbers of those involved in the project, members and/or others, equipment, event)

Saltdean Flower Power Club is the new name for Homeridge Gardening Group. The new name will avoid any further confusion with Homeridge House Residents Association. This also reflects on our aim to be involved in gardening projects for the benefit of the local community away from but close by Homeridge House.

The committee and officers remain unchanged.

In our first application in September we were told to mention that, as a new group/club, there are no yearly accounts to present.

The aims of the Club remain to:

- Provide opportunity for residents to enhance their health and wellbeing through outdoor activity.
- Undertake gardening tasks to enhance the grounds for the pleasure of residents.
- Bring those residents who have previously enjoyed having a garden together in a gardening themed social environment.
- Arrange group visits to garden centres and gardens near and far.

In addition we shall be getting further involved with the management of the wildflower project in Crowborough Road along the exercise route intended for residents of Homeridge House (and of course the general public). We anticipate providing both labour and plants.

The grant received in September went a long way to providing colour in our pots and troughs. A discount of 20% for bulk purchase of plants has been obtained from Tates garden centre which will come in very handy.

However until very recently we were without a development or area manager with which to liaise and get permission for our intended improvements to the gardens. This has put everything, including encouraging membership, on hold. Parts of the gardens still need their makeover and any further grant will go towards hedging plants, shrubs and flowering plants to be planted in Spring.

The plans for a water fountain and commemorative trees mentioned in our first application are still in place.

We have 10 active volunteers at present and once we get the go ahead with our plans (and the weather improves) we shall encourage residents to become either active or social members of the Club. Many of the 80+ residents are unable to take on any physical gardening tasks but they have the opportunity to be social members and thereby being involved.

We would be extremely grateful for any further grant and can guarantee that it will be appropriately put to good use for the benefit of Homeridge House residents and the local community.

13. Notes:

The Mayor will consider grant applications from local organisations each year and successful applications do not imply an automatic future success – each is considered on its merits and against availability of funds.

Depending on circumstances, organisations that are successful in their grant application may be invited to attend a presentation ceremony for publicity purposes.

To be eligible to apply for a grant from The Mayor's Charity Fund, the applicant must be able to provide and/or meet all of the following criteria:

- i. Voluntary/community group or registered charity which provides a service or activity preferably for the benefit of the residents of Telscombe Town.*
- ii. A bank account held in the name of the group.*
- iii. A copy of their latest annual accounts.*

Applications without the necessary supporting documentation will not be considered.

Please do not leave any boxes on the application form blank.

*The following **are not** eligible:- businesses, individuals or political parties.*

The Council may publicise grant payments made and to whom in its Annual Report, website and through social media.

SALTDEAN FLOWER POWER CLUB CONSTITUTION.

1)NAME:

The name of the Club shall be SALTDEAN FLOWER POWER CLUB.
(Formerly Homeridge Gardening Group until 01/01/2024).

2)AIMS OF THE CLUB:

Improve residents' health and wellbeing by providing opportunities to be physically and/or socially active in a gardening environment.

Make the gardens/grounds attractive for residents and local community through appropriate planting and maintenance of shrubs and flowers.

Bring those residents who have previously enjoyed having a garden together in a gardening themed social environment.

Arrange Club visits to garden centres and gardens near and far.

3)MEMBERSHIP:

Application for membership of the Club is open to all residents of Homeridge House, Saltdean.

Membership of the Club shall consist of such persons whose application for membership is approved by the Committee.

Anyone becoming a member agrees to accept the Club's Constitution and rules.

A member may resign from the Club by sending written notice to the Club Secretary.

The membership and accounts year runs from 28th August to 27th August.

The Committee may interview, and if necessary, suspend or expel any member who infringes any rule or whose conduct they conclude prejudices the Club's interests.

Households with multiple members shall be entitled to a single.

4)COMMITTEE.

The Committee shall be comprised of a Chairperson, Secretary, Joint-Treasurers (2) and ordinary committee members from the six founding members.

Each Committee member shall stand for a 3 year term and may seek re-election at the next Annual General Meeting.

Any resignation from the Committee should be sent to the Secretary. Any resignation of the Secretary should be sent to the Chairperson.

The Committee shall have the power to fill by co-option any vacancy that may occur between Annual General Meetings.

The Secretary or someone nominated, shall take minutes of all meetings.

5)COMMITTEE MEETINGS.

At Committee meetings, four shall form a quorum and the Chairperson shall preside. In the absence of the Chairperson a Committee member from amongst those present shall be chosen to do so.

There shall be at least one Committee meeting a calendar month with at least 7 days' notice given to members.

6)ANNUAL GENERAL MEETINGS.

There shall be an Annual General Meeting held in August and at least one other General Meeting held in a calendar year.

All members shall be notified in writing at least 3 weeks before the date of the meeting, giving the venue, date and time.

Nominations for the Committee may be made to the Secretary before the meeting, or at the meeting.

A quorum of 51% of members eligible to vote is required and decisions made on a simple majority basis.

SALTDEAN FLOWER POWER CLUB CONSTITUTION (continued).

7)SPECIAL GENERAL MEETINGS.

The Secretary shall call a Special General Meeting at the request of the majority of the committee or at least eight other members giving a written request to the Chair or Secretary stating the reason for their request.

The meeting shall take place within twenty-one days of the request. All members shall be given two weeks' notice of such a meeting, giving the venue, date, time and agenda.

8)ALTERATIONS TO THE CONSTITUTION.

The constitution may be altered by a resolution supported by not less than two-thirds of the members present and voting at a General Meeting. The notice of the General Meeting must include notice of the resolution, setting out the terms of the alteration proposed.

9)DISSOLVING THE CLUB.

The Club may be dissolved at an AGM or Extraordinary General Meeting by agreement of two-thirds of the members present.

Not less than 21 days' notice shall be given (stating the terms of the resolution to be proposed). The Committee shall have power to realise any assets held by or on behalf of the Club. Any assets remaining after the satisfaction of any proper debts and liabilities shall be given or transferred to such other institution or institutions having objects similar to the objects of the Club as the members of the Club may determine.

This constitution was adopted on the date mentioned below by the persons whose signatures appear at the bottom of this document.

8. REASON FOR GRANT REQUEST:

(eg. details of project together with numbers of those involved in the project, members and/or others, equipment, event)

We set up just before lockdown and had two rehearsals before they were stopped but kept going by Zoom as the band became a lifeline for elderly people on their own and vulnerable to loneliness. Being able to concentrate on music and practise became a focus for the whole time we couldn't meet.

We started rehearsals again when allowed and since then have continued to be a source of social activity for older or isolated people. Many of our members live alone, are older and retired so value the ability to meet once a week.

The Saltdean Jazz Band has also been an integral part of local activity, taking part in the Queen's Jubilee and Coronation events in Saltdean and playing gigs at local venues, many for charitable causes.

The band currently runs at a loss (costs being for hall hire and to pay the musical director) and is supported financially by the founder, Janet Kelly, with the aim that it will eventually be self-supporting with more paying members and some paid gigs in the local area.

There are plans for 2024 to spread the word about the band and its membership – the local bus company has agreed to put up some posters advertising for more players – and there is a volunteer who will undertake some social media activity.

A cash boost would be very welcome as it could allow the band to pay the hall hire costs for at least a further six months, as it is likely that increased membership over the next year will drive the band towards breaking even.

However, there are other non-cash opportunities to support the band that might help such as free venue space, advertising for band membership in various town council venues and publications, booking us for paid gigs and so on.

There is nothing else like the Saltdean Jazz Band in the area which is open to adults of all abilities and with all instruments. We don't audition and everyone is welcome to benefit from the excellent teaching of our band leader, Andre Edmond, and the ability to take part in a growing number of community events.

Music and in particular community music is known to be highly valuable in terms of warding off loneliness, improving mental health and even addressing other issues such as dementia and memory issues. Therefore we hope that consideration will be given to supporting our efforts to offer an entirely inclusive musical opportunity – something that isn't available anywhere in the area.

8. REASON FOR GRANT REQUEST:

(eg. details of project together with numbers of those involved in the project, members and/or others, equipment, event)

We are building up more activities after the shut down due to Covid as part of a campaign to reach a full range of young people and make them accessible to those disadvantaged. This is to encourage active lives and participation in community activities for all starting from a young age. It is part of several events both in the skatepark and in the Lido pool. To run these events the SRA needs to apply for extra funds.

The SRA is seeking funding for one of three "Skate Jams in the Park". This is to attract young people not engaged in more conventional activities e.g. football with Saltdean Football club and who may not have the money to take lessons.

We had the first Skate Jam in summer 2023 – funded by Parc charity. It was so successful – attracting many young people who are not usually provided for by more traditional activities. It was therefore proposed to repeat this in 2024, one Skate Jam funded by Parc charity again, one organised by the SRA and to look for sponsorship for a third. I am therefore applying for funds to allow us to hold this event in 2024. It is expected to run them late spring, early summer, and late summer after schools go back.

Aims of the Day

- Encourage activity in young people.
- Attract young people not usually engaged in more conventional activities and across age groups.
- Demonstrate (and encourage) Community activity and volunteering to young people and their parents.
- This is organised for all young people in Saltdean – East (under TTC) and West (BHCC)

What does it involve:

Advertised mainly on Facebook, Also posters and adverts in shops.

On the day the participants bring permission from their parents, or the parent(s) are phoned at registration for their permission (this includes the waiver required to participate). This worked well in the previous session and also proves address.

The day provides instruction sessions for young people of all ages on skateboards - no prior

knowledge or equipment needed as instructors, helpers, equipment and protective equipment provided by the Level skate school. Slots are booked via Facebook or on the day.

After lessons there is a 2-hour slot for free style skateboarding to music –the “Skate Jam” - music equipment also provided by the Level skateboard school. Small prizes for different age groups awarded.

We liaised with the Bowls club to ensure that the loud music wasn’t played at a time when there were bowls matches.

Lunch of pizza and drinks were provided to keep up energy levels and to prevent hunger fuelling poor choices/bad moods – also previously very successful!

Volunteers from Parc/SRA run the registration and general admin. The Skills and equipment for teaching skateboarding are bought in.

Budget and money applied for:

The Level Skate school cost **£350** last year.

Pizza - £150 (we are hoping to at least get a discount for this). Estimate **£120**

Numbers of people.

Last year we had 28 on the skate park through the event having lessons and some staying for the skate Jam. Younger siblings and some parents were also watching.

8 volunteers and three members of the Skate school to teach and supervise/do admin & set up.

2 volunteers to get the lunch!!

9. AMOUNT OF GRANT REQUESTED: £ 470

10. I/WE ACKNOWLEDGE AND ACCEPT THAT PAYMENT IS MADE SUBJECT TO THE MONEY BEING SPENT ON THE SPECIFIC REASON DETAILED IN 8

ABOVE AND I/WE WILL PROVIDE A REPORT/PROOF TO TELSCOMBE TOWN COUNCIL AT THE END OF THE PROJECT.

The Grant Request Will Benefit The Whole Community IN Local Media Film Representation of the area's cultural diversity and environmental issues. I am keen and motivated to bring mentoring and highlight the Walscombe Community online. I am in need of 'Legal' Software and a few other items including a camera and some smaller items such as batteries, storage cases a battery charger and some memory cards. I am currently busy developing this organisation and at this time, I am almost able to start creating local based media. These items will bring us up to an ability to start representing the local area in media.
